Dear Mr. Brown:

Thank you for the most recent in your series of letters of November 6, 1987 concerning your crusade of awareness regarding environmental hypersensitivity.

I appreciate you having brought to my attention those in my riding who exhibit signs of this condition. I am taking the opportunity of providing a copy of your letter to the Prime Minister's office, such that they can further be aware of your views.

Thank you.

Yours sincerely,

Jean J. Charest
